A show-stopping remodel...where no expense was spared and no detail overlooked! This home has been gutted and brought back to life using high-end finishes on every floor. Set on a peaceful, wooded lot w/lake views & Steve Foeste designed landscaping, here's your own private oasis right in town! Inside you'll find flexible living spaces to ensure that this house can remain your forever home. Featuring 5 bedrooms (4 ensuites), 6 1/2 baths, massive living room open to chef's kitchen, formal DR, theater w/kitchenette, office, FR w/bar, 3-car garage, and lower level w/full-size kitchen & exterior entrance (think separate apartment) - what more could you need? The three-year renovation was aided by local designer Terry McDowell, whose guidance and creativity made this home one to be enjoyed by everyone who walks through its doors. So much thought and energy was put into planning and restoration, it's no wonder the end result is gorgeous and functional in every sense of the word!
