\$299,900

5 Bedrooms | 3 Bathrooms | 776 Sqft

Step inside and prepare to be amazed by the blank slate waiting for your personal touch. This one-of-a-kind single-family home has the potential for 5 bedrooms and 3 bathrooms. The large living room provides an abundance of natural light. Outside, you'll find yourself surrounded by nature's bounty. The property sits on an expansive 5.42 acres, offering plenty of space for outdoor activities and exploration. Take a stroll through the sprawling grounds and discover the beauty of the apple, pecan, and walnut trees that grace the landscape. Enjoy the company of various wildlife that call this area home. This property also boasts three outbuildings, providing ample storage space for all your belongings. Additionally, there is an additional 1400 sq ft living quarters on the property, perfect for accommodating guests or utilizing as a rental unit. The possibilities are endless with this versatile space.
