3 Bedrooms | 4 Bathrooms | 2,025 Sqft

If you've been looking for a beautiful, well-maintained home in a quiet subdivision w/ a lake, look no further! 1451 Bella Vista has been meticulously maintained by the same owner since 1986. As you walk in the front door, you will see the gorgeous & recently updated kitchen/dining area w/ a breathtaking view of the lake. With new wood flooring & a neutral color scheme, it will be easy for you to put your own personal touch on this home. Down the hall you will find the main floor bathroom w/claw foot tub & the primary bedroom & WIC. This bedroom also has its own access to the deck overlooking the lake. There are 2 additional bedrooms & a bathroom on the upper level. Off the large garage, there is a bonus sleeping area and bathroom that has its own entrance. The basement has vinyl plank flooring, a wood burning stove, bathroom, utility room, & storage area. Step out the back door to a patio that also has a great view of the lake & a John Deere room nestled under the garage. A must see!
