3 Bedrooms | 3 Bathrooms | 2,490 Sqft

Discover the perfect blend of country living and comfort in this beautifully updated ranch home set on 6.29 acres. Boasting wood floors throughout most of the main level, this inviting property features an updated kitchen with solid surface countertops, stainless appliances, an island and pantry. Both bathrooms have been updated with the main bathroom to include a walk in tub for accessibility. The walk out basement is mostly finished, offering a spacious recreation area, family room, 2 guest rooms and a full bathroom. A large storage room provides ample space for organization. 20x40 outbuilding offers possibilities for a workshop, extra storage, or hobby space. Geothermal was replaced in 2024 along with 1 of the water heaters, ensuring energy efficiency and peace of mind. For summer enjoyment an additional deck is in place--perfect for adding an above ground pool.
