MLS# 25016998

\$375,000

3 Bedrooms | 2 Bathrooms | 1,944 Sqft

Welcome Home to the "Georgetown" style floor plan with almost 2000 sq ft on a corner lot at Ramsey Branch. Spacious grand entrance into the open living room, dining area & kitchen. Living room features a gas fireplace, wood flooring and exits to the outside patio. Kitchen upgrades are in abundance, front bar area for seating, center island, stainless steel appliances, walk in pantry & drawer pull outs within many of the cabinets. Primary bedroom suite includes walk in closet, double sinks, Jacuzzi tub and walk in shower. The split floor plan includes two additional bedrooms with bath. The oversized garage could be a third space for a golf cart or workshop area. Lawn sprinklers for yard & flower area. The home was the previous model for Ramsey Branch & the Club House. Monthly fee covers use of Club House, lawn maintenance with many other amenities.
