Step back in time in this well-maintained Victorian style home built in the 1890's, known as the Hunze Home. So much charm, character and detail in every room. The distinct architectural features are FABULOUS! This home is located close to the heart of the downtown, making it a quick, convenient walk to the Mississippi River, the abundance of restaurants Cape has to offer, coffee houses, tea rooms, farmers market, casino, Tunes at Twilight and so much more. This lovely home boasts of five bedrooms, each having their own private bath, currently being used for short term rentals, making this a desirable investment property. The detached 3 car garage at the back of the home offers a 1 bed, 1 bath efficiency or perfect getaway for a private office or art studio as well as many more possibilities. In addition to the three car garage, there is ample parking in the rear of the home as well as on-street parking.
