3 Bedrooms | 4 Bathrooms | 4,095 Sqft

This gorgeous Rocky Mountain log home on 2.94 acres roughly 1/2 mile from Cape is a picture-perfect, tranquil retreat. From the warmth of the log-beamed walls to the soaring ceilings and open layout, every detail invites you to relax and recharge. The kitchen is a welcoming centerpiece with custom cabinetry, granite counters, stainless appliances, and a spacious island ideal for gathering. The main-level suite offers a spa-like escape with marble floors, jetted tub, and his-and-hers vanities. Upstairs, two generously-sized bedrooms overlook the great room and its statement fireplace with pellet insert (gas convertible). The finished walkout basement provides flexible space and an additional full bath. Outside, your backyard oasis awaits with its sparkling pool, premium hot tub, firepit patio, and plenty of room to entertain or unwind. With a new shop (doors on order), oversized garage, and optional lake access, this home blends comfort, charm, and convenience. Must see to appreciate!
