\$475,000

3 Bedrooms | 3 Bathrooms | 3,932 Sqft

This charming brick home is nestled on a sprawling 1.9 acres, giving you plenty of room to breathe and enjoy the great outdoors. As you step inside, you'll love the open floor plan that makes it easy to move from the cozy living area to the dining space perfect for entertaining friends or just kicking back with family. You'll find beautiful wood floors throughout the main living areas. Need more room? The huge basement family room is just waiting for your personal touch. It's the perfect spot for movie nights, game days, or even a play area for the kids. So, if you're looking for a place that feels like home and has all the space you need to grow and play, this is it. Come check it out, and start imagining the memories you'll create here! Now, let's talk about the backyard it's a total dream! With a hot tub and a pool, you'll have your own personal oasis right outside your door. Whether you're hosting summer barbecues or enjoying a quiet evening soak.
