Homesteaders or Hunters delight! Think of the possibilities! This home sits on 61 acres +/- with a 1.6 acre stocked pond, a natural spring and timber that has not been harvested for years. There are approx 26 tillable acres that would make a great deer attraction or lease to a farmer. Just minutes from town but with lots of privacy. The home is a 3 bedroom one full bath with main level laundry offering 1337 sq ft of living space. Although it was built in 1880 it is still in great shape.
