1,716 SF creative/professional office or retail building in a high traffic and visible location on E. Jackson Blvd. in Jackson. Formerly used by a retail shop, this space could be used for a variety of other retail, office, or professional service-type businesses. One restroom on each floor, with a separate rear parking area and entrance. Off-street parking in the front and an opportunity for a large sign right on E. Jackson Blvd. make this a great location. The lower level could also serve as living quarters for a business owner or tenant. Lots of flexibility!
