Exclusive custom home with pool overlooking the green on Hole #6 at Bent Creek Golf Course. Nestled back into a 13 acre privately wooded estate home lot, this is one of only three remaining privately secluded homesites at the Terrace Above the Greens Subdivision. This property provides for a private entry drive meandering through the acreage and over the creek to the homesite location. The wooded acreage provides for privacy & seclusion with great views from above the green. And only minutes from Uptown Jackson and I-55 Access. A buyer can select their own finishes for this brand new custom design-build home (construction commencing in May 2025). Don't wait too long and miss out on a rarely available golf course estate home on private acreage!
