This stunning 3 bed, 4 bath custom ranch sits in a park-like setting on nearly 1-acre with an attached two-car garage AND a second detached two-car garage! Over 3400 finished square feet, over 2800 on the main level! Relax on the covered porch or exit the great room atrium doors to enjoy the serene and private back patio. Inside, you'll find a spacious kitchen, sophisticated formal living and dining room with an impressive bay window, and an expansive 600sqft great room featuring cathedral ceilings, skylights, and a wood-burning fireplace with insert. This home has integrated custom shelving and hutches, built-in undercounter ice maker, whole house central vac system, and main-floor laundry/mud room with a utility sink for ample convenience. Master suite has a double vanity, walk-in shower, and large jetted tub. The partially finished basement is perfect for an office, rec room, gym, playroom, or additional living space with a large full bath and double vanities. This home has it all!
