If you love the charm and character of an older Craftsman style home, but also prefer updated amenities, including a modern kitchen, ML laundry, butlers pantry, & remodeled bathrooms, then you need to see this fabulous home! The quality & workmanship is obvious from the welcoming front porch with swing, to the gas fireplace, built-ins, stained glass, window seat, & the gorgeous original hardwood floors throughout most of the home. You'll be in awe over the huge great room addition featuring a wall of windows with views of, and easy access to your privacy fenced backyard paradise. The finished walk-out lower level offers a family room/gameroom, kitchenette, and full bathroom with tiled walk-in shower. The 15X30 screened in porch walks out to the pool deck for easy entertaining & fun family times. Over 3400 finished sq. ft. with great flow to the additional outdoor living space. Recent updates include new HVAC, pool, deck, fence, concrete driveway and walkway. Truly a MUST SEE home!"
