A rare opportunity: a 24x40x14 shop house with an RV-height garage door and a camper included with the property. The shop features tall ceilings, an open layout, and a completely unfinished interior ready for your personal vision. Use it as a workshop, storage, hobby space, or build out future living quarters. The included camper offers immediate usability while you customize the shop however you d like. Tons of flexibility for toys, equipment, projects, or shop house conversion potential. A unique setup you don t come across often. Have access to the community pool, fishing, hunting, and the community lakes!
