Iconic Design Meets Modern Comfort... If you are a fan of clean lines, open spaces, large windows & glass doors inviting the outside in... This Mid-Century Modern ranch is waiting for you. The living/dining room is the heart of the home, designed for gathering and relaxation. The kitchen is updated with new cabinets and appliances featuring the original round built in breakfast nook. The 3 bedrooms are peaceful retreats and the office/laundry room is on the main floor. What's not to love about this treasure?
