Set on a private 1.3 acre lot at the end of a quiet cul de sac, you'll love the peaceful setting that's still close to everything Cape has to offer. Inside, you'll find 4 bedrooms, 3.5 baths, a large dining room, an eat-in kitchen, and a spacious main level laundry. The home also features a handy mudroom and a bright sunroom that overlooks the backyard and pool. Custom walnut floors by Stan Seabaugh, two fireplaces, and beautiful built-ins give the home its warm, inviting feel. Step outside to your own backyard oasis...an in-ground pool surrounded by lush landscaping and plenty of space for entertaining. And for those who need extra storage or a place to tinker, the detached heated garage is a dream come true, with space for up to eight cars or your favorite hobby setup.
