3 Bedrooms | 3 Bathrooms | 2,293 Sqft

This 5-year-old house has everything a savvy buyer could want! The main level's open concept living, dining and kitchen areas are inviting spaces to gather. The primary bedroom is ensuite, with a nicely sized walk-in closet and bath with dual vanity and separate tub/shower. Another bedroom and bath can be found on the main level, along with the laundry and a covered deck overlooking a private back yard. The laundry room connects the 2-car-garage with the living space, and can serve a mud-room function. The lower level has a large family room, bedroom and full bath, plus great storage. Patio doors take you outside, where you'll see a detached workshop with electricity, concrete floor and a side lean-to. All of this can be found in a best-of-both worlds combination: the quiet, low-traffic street and the home's mailbox are in city limits, while the house is in the county with no HOA! Enjoy easy access to Jackson as well as Jackson schools, or drop down and across to the interstate, big box stores and all that Cape Girardeau has to offer. A rare find!
