4 Bedrooms | 3 Bathrooms | 3,063 Sqft

Tucked away at the end of a quiet, dead-end road, this stunning 4-bedroom, 3-bath home offers a rare blend of seclusion and accessibility. Enveloped by 5 acres of mature trees in one of the area's most desirable subdivisions, it's a hidden haven that feels miles away yet sits just minutes from town conveniences. Nature lovers will adore the neighborhood's private community pond, perfect for fishing or simply unwinding by the water's edge. Inside, discover a thoughtfully updated interior featuring not one, but two spacious living rooms a perfect setup for both lively gatherings and peaceful retreats. Step out to the screened-in back porch, where a bubbling hot tub invites you to relax beneath the canopy of trees, rain or shine. Homes offering this level of privacy, space, and connection to nature while remaining close to town are truly few and far between. If you've been searching for your own private escape that doesn't compromise on modern comfort or location, this is the one you've been waiting for.
