Go ahead, kick me while I'm down. I know you want to. So go ahead, kick me where it counts... and make it count.... yeah, you know where - right square in the... price tag! I'm out here at the edge of town. I'm a little roughed up, but I'm tough. I've got a huge yard that you just won't find in town. My roof looks good and I even have a nice fireplace in the living room. The ones like me don't come along everyday. I'll clean up good & easy and make you proud. Just pay me a little attention & show me some love.... and I'll show you an ROI and pay you some equity!
