\$165,000

3 Bedrooms | 2 Bathrooms | 1,636 Sqft

Welcome to this charming ranch-style home offering space, character, and functionality. The large kitchen features an abundance of cabinets and a center island, with a kitchen and dining combo that flows seamlessly onto the wood deck, perfect for entertaining and everyday living. The home showcases original wood floors, adding warmth and timeless appeal. Downstairs, you'll find an additional family room, along with a walkout basement and a heated garage, providing extra living space and convenience. Situated on a corner lot with an extra-large backyard, this property offers plenty of outdoor space and privacy. A great opportunity to enjoy both indoor comfort and outdoor living! Lot behind property is being sold with home : parcel #16-714-00-06-008.00-0000
