Welcome to this beautifully maintained front-brick ranch located in a quiet Jackson neighborhood. This spacious home offers 4 bedrooms and 3 full bathrooms with a thoughtful layout designed for comfort and versatility. The main level features vaulted ceilings and plank laminate flooring throughout most of the living areas, creating an open and inviting feel. The primary bedroom includes a generous en-suite bathroom and a walk-in closet. Downstairs, the mostly finished basement mirrors the main level with a large living area, an additional bedroom with walk-in closet, and a full bathroom perfect for guests, extended living, or a private retreat. Built-in shelving adds great storage in the unfinished portion of the basement. Enjoy peace of mind with a brand-new roof replaced in August and an HVAC system less than 4 years old. Outside, relax or entertain in the flat, fully fenced backyard. Complete with a 2-car attached garage, this move-in-ready home checks all the boxes.
