\$120,000

This 2.97-acre tract offers exceptional versatility, making it an excellent option for a spacious single-family homesite or a strong investment and development opportunity. Located on a private road, the property provides privacy while remaining conveniently close to schools, parks, and shopping. With electric available, the property is well suited for immediate planning and future development. The size and layout allow flexibility for a private residence, while also offering the potential for division into a multi-unit residential development (buyer to verify all zoning, utilities, and development requirements). Whether you're looking to build a family home, invest for future appreciation, or develop for income, Lot 3 on State Highway 72 delivers location, flexibility, and long-term value.
