Located in a thoughtfully designed neighborhood tailored for those 55 years and older, this one level home offers everything you need for easy living. The home was thoughtfully designed to include two large storage closets, a spacious primary en-suite with a walk in shower. The walk in closet is a designated safe room. You'll notice luxury vinyl plank floors and granite counter tops! I cannot say enough good things about this community. Rarely do you enter the community without seeing neighbors engaged in either walking or enjoying the beautiful clubhouse. The amenities include a pool, pickleball and bocce ball court, the use of the clubhouse for family gatherings, and nearby walking trails.
