4 Bedrooms | 3 Bathrooms | 2,210 Sqft

Very cute and truly unique 4-bedroom, 3-bathroom home nestled on a quiet street and set on an almost half-acre lot. This property offers a rare combination of charm, space, and versatility, highlighted by a fenced, level backyard ideal for outdoor living. A large two-tier deck seamlessly connects the main home to the two-car garage, which features a private one-bedroom loft complete with a full kitchen, bathroom, and living room perfect for guests, extended family, or rental potential. The inviting covered, window-enclosed front porch provides a welcoming entry and additional living space. Inside, the home showcases original hardwood floors throughout most of the main living areas. The front living room features a classic wood-burning fireplace, while a second living room is filled with natural light from a beautiful bay window. The primary bedroom includes a walk-in closet, adding comfort and functionality. With its distinctive layout, generous lot, and flexible living options, this home offers character and opportunity rarely found in today's market.
