Welcome to 1010 W Main St in the heart of Jackson, where timeless 1930s charm meets thoughtful modern updates. This classic two-story Colonial Revival home offers the character and craftsmanship you don't often find, paired with the comfort and efficiency today's buyers appreciate. The home features central electric A/C, a natural gas furnace, and additional mini-split systems (under two years old) to help maintain comfort throughout the home in every season. A roof less than one year old adds additional peace of mind. Inside, you'll find inviting spaces perfect for everyday living and entertaining, filled with warmth, natural light, and historic appeal. Outside, the detached shop/garage provides incredible flexibility ideal for a workshop, home gym, golf simulator, extra storage, or easily converted back to a traditional garage. Located just minutes from uptown Jackson, schools, and the city park, this property offers a rare blend of location, character, and updates all in one.
