This home will be sold AS-IS. Needs work on flooring throughout, door facings and trim but not limited to these items, including but not limited to inspections for environmental hazards. Short sale buyer approval is required and can take months for approval, no financing, not creative deal structuring and no sight unseen offers. Must send proof of funds prior to asking for a showing with a minimum of 48 hours notice. This 3 bedroom brick home sits in a quiet area of Scott City. Nice level lot with a firepit in the backyard makes for a great play area for the kids, especially since the backyard is fenced in.
