Never on the market before! Timeless French-inspired estate on 1.5 picturesque acres. From the outside to the inside you will see that nothing was missed. The home features travertine marble, slate, and hardwood flooring throughout while being filled with abundant natural light from all the rooms. The recently updated chef's kitchen is highlighted by a 10 foot quartz island, Wolf range, double ovens, and Sub-Zero refrigerator & freezer. One of the most captivating spaces is the oversized breakfast room, featuring an elongated octagonal wood ceiling with restoration hardware lighting and views of the backyard, pool and peak of the lake. This custom home offers a perfect blend of cozy family spaces plus traditional formal spaces with dining room, large living room featuring a double sided fireplace with slate and decorative tile and corbels from Italy and a one-of-a-kind foyer entrance to the lower level. The expansive primary suite offers a sitting area with those beautiful private views, walk-in closet/dressing room with a built-in dresser & private washer and dryer. The ensuite bathroom is a true retreat with a jacuzzi tub and a whole-body rain shower. Main floor large office has vaulted ceilings, built-ins and is a perfect private work space or could be an additional main floor bedroom. The lower level lives like a main-floor space with
