3 Bedrooms | 2 Bathrooms | 2,488 Sqft

Only 2 years young and thoughtfully designed, this custom home in Warrens Place Subdivision blends style and function at every turn. From the moment you step inside, you'll notice the natural light pouring through double-hung windows and a stunning bay window that creates the perfect reading or dining nook. Custom blinds add both elegance and privacy throughout. The kitchen is beautifully appointed with granite countertops, abundant cabinetry, and a separate pantry for organized storage. The laundry area offers additional countertop space for folding and convenience. The spacious owner's suite is a true retreat, featuring a 5-foot whirlpool tub designed for relaxation. Enjoy the outdoors year-round on the large screened-in brick porch, complete with locking dog doors, overlooking a fully fenced backyard. Located in the highly sought-after Jackson School District and with no HOA fees, this home offers comfort, quality, and freedom in one exceptional package.
