Welcome to a stunning home with million dollar finishes and views.... Wake up to a gorgeous view of the water and Dalhousie golf course in the distance. Enjoy your coffee on the deck, or have your evening cocktails on the screened in porch. Featuring custom cabinetry and lots of counter and storage space, this kitchen has it all, even a separate ice maker. The beams and millwork on this home are outstanding and the wood flooring shows off the expansive size of the rooms. Sporting two fireplaces, high end lighting and finishes, this home in the coveted Dalhousie subdivision has too many features to list. Come see this 3 bedroom (plus a sleeping room), 3.5 bath charmer!
