Welcome to your dream home overlooking the peaceful Kimbleland Golf Course. Thoughtfully renovated in 2025, the kitchen is truly the heart of the home. It features a stunning 10 island with seating, quartz countertops, a dedicated drink station with mini fridge, a cozy built in window seat, and space for a 48 gas range with custom vent hood. It's a space designed not just for cooking, but for gathering, celebrating, and creating memories for years to come. Four rooms feature beautiful wall to wall built in shelving the living room, family room, main level office, and one of the spacious lower level bedrooms offering both style and exceptional functionality. You'll also love the abundance of bonus rooms. One is currently used as a gorgeous work from home office, but the possibilities are endless. Imagine a gaming lounge, craft or art studio, home theater, fitness space, or the ultimate hangout man cave. Whatever you envision, this home can accommodate it. There is truly so much more to discover and appreciate. Come experience this remarkable property in person before it's gone.
