\$589,900

2 Bedrooms | 2 Bathrooms | 3,566 Sqft

This is a custom built 2,103 sq ft above ground, 1.5 story modern farmhouse sitting on a hill overlooking huge breathtaking pasture with woods sprinkled in on the north side that provides turkey & deer to watch on your screened in porch or lower patio. The property consists of 14.7 acres that have been immaculately maintained. The basement is large (1,463 sq ft) enough to entertain that walks out to awesome views. The home has a huge attached 25x33 garage. Insulated 24x40 shop building with electric, large side shed for storing tractors, boats off of the main shop building. The open shed furthest from the house could hold larger equipment or horses/cattle. This property shows much better than we can possible write about. The home has the space to add at least 2 more bedrooms & the utility room was also built to add another bathroom. With the extremely nice home, sheds/shop, lay of the land you can embrace the tranquility of country living at its finest. Asking \$589,900. Recently appraised for \$675,000.
