\$334,900

4 Bedrooms | 3 Bathrooms | 2,305 Sqft

Beautifully maintained home built in 2016 offering curb appeal and modern finishes throughout. Step inside to find warm wood flooring that flows through the kitchen and living room, creating a great main level space for gatherings and entertaining. Maximize the space by opening the French doors and enjoy the fresh air on the deck. The kitchen features granite countertops, stainless steel appliances and a center island for all to gather around. With 4 spacious bedrooms and 3 full bathrooms, this home provides both comfort and room for family and guests. The partially finished lower level adds even more living space, complete with a wet bar perfect for further entertaining and a convenient walk-out to the backyard. The large storage area with built-in shelving and double doors, is ideal for lawn equipment, tools, or hobby space. This home combines style, function, and space ready for its next owner to move right in!
