$225,000

4 Bedrooms | **2** Bathrooms | **1,500** Sqft

Be the first to move into this completely renovated home! Conveniently located near all the amenities Perryville has to offer it provides quick access to restaurants, shopping, grocery stores, and interstate access. The home features three main-level bedrooms and two bathrooms, plus an additional upstairs bedroom or playroom for extra space. Many big ticket items have already been checked off the list, including a newer roof, windows, siding, and a fully updated interior. The walk-out basement offers great potential and could be converted into a tuck-under garage if desired!
