2 Bedrooms | 2 Bathrooms | 1,535 Sqft

Welcome home to this charming Craftsman cottage in the highly sought-after Walden Park community where comfort, style, and low-maintenance living come together beautifully. This thoughtfully designed 2-bedroom, 2-bath home offers 1,535 square feet of inviting space with an open-concept layout perfect for both relaxing and entertaining. The cozy gas fireplace anchors the living area, creating a warm and welcoming atmosphere, while fresh interior updates new paint, stylish kitchen tile, and modern ceiling fans give the home a crisp, move-in-ready feel. Upstairs, a finished walk-in attic provides a 300 sq ft bonus office/flex space, complete with its own mini-split system for year-round comfort ideal for remote work, hobbies, or a private retreat that could also be utilized as an additional bedroom. Car enthusiasts and storage seekers will love the oversized 2-car garage featuring a large, dedicated storage room, offering plenty of space for organization and functionality. Step outside and unwind in your own private outdoor oasis. The recently screened-in front patio, paired with a covered pergola, outdoor ceiling fan, and elegant cabana curtains, creates the perfect setting for morning coffee or evening gatherings. Enjoy truly effortless living with an HOA that handles lawn care, sprinkler maintenance, and snow removal. Residents also have
