This beautiful tri-level home off Brookwood sits tucked away in the quiet cul-de-sac of Ridgeway, offering a peaceful setting & a backyard lined with mature trees for privacy and a touch of nature. One of the standout features is the HUGE attached shop-heated, cooled. It connects to the oversized 2-car garage and is a space that will make any hobbyist, craftsman, or car enthusiast light up. It could serve as an incredible indoor play area during the winter or be converted into additional living space. Inside, you'll find thoughtful updates throughout, making this 3-bed, 2.5-bath home move-in ready. The updated kitchen offers generous storage, pantry space and opens seamlessly to the dining and living areas. All three bedrooms are located just a few steps up on the top level. The lower level features a spacious family room with a cozy fireplace and a full bath, along with direct access to the backyard. This space could easily function as a primary ensuite. This home has been lovingly cared for by a dear friend of mine I've always said she is magic to a house. You'll feel that the moment you walk in. Get ready to be impressed and dad is going to love that shop. Centrally located in Cape
