3 Bedrooms | 2 Bathrooms | 1,802 Sqft

Looking for a newer home with space to entertain, a large lot to play or garden? This lovely 3 bedroom, 2 bath home built in 2022 has all that and more. Sitting on nearly an acre it was built to feature all modern amenities including an open floor plan, solid surface kitchen counters, walk-in pantry, his and her primary closets, double sinks with separate vanity in the owners bathroom, and several storage closets throughout the home. All the homes finishes were thoughtfully selected and coordinate throughout. The back covered patio is an ideal area for hanging out, drinking coffee, working outside, etc. The additional parking spot out front provides the extra room for guests to park, or for you to park that third car or trailer without interfering with the driveway. Don't miss your chance to view this home and make it yours!
