4 Bedrooms | 4 Bathrooms | 3,634 Sqft

Welcome to this 4-bedroom, 3.5-bath residence that combines modern elegance, practical living areas, an abundance of space and updates in a highly desired, convenient location! Step inside to an inviting 2-story foyer that connects to the first bedroom/office, a full bath, and a living room open to formal dining. The updated eat-in kitchen offers stainless steel appliances, a gas stove, quartz countertops, and a generous island, ideal for casual dining or meal prep. Ample cabinetry ensures plenty of storage with additional storage at the island. The kitchen opens to a comfortable family room with a fireplace, built-in shelving, and has large windows that allow natural light and a view of the deck and a beautifully manicured and fenced back yard! The main level laundry room walks out to an oversized, vaulted 2-car garage with windows. Upstairs you will find 3 large bedrooms and two full bathrooms, both with double vanities. The primary suite is large enough for an additional sitting space or office area and also has a spacious walk-in closet. The basement level walks out to an additional driveway space that can be used for entertainment or parking. Downstairs you will find a family room with a projector and screen, a kitchenette/ bar area, built-in bunk beds that sleep 4, a bonus room with a large walk-in closet, a 1/2 bath and unfinished storage space.
