5 Bedrooms | 7 Bathrooms | 5,961 Sqft

A rare and remarkable offering, this stunning estate blends timeless character with refined, modern luxury. Originally built in 1938 and thoughtfully expanded, the home preserves its historic charm while delivering the space, comfort, and high end finishes today's buyers expect. Boasting 5 bedrooms, 5 full baths, and 2 half baths, the layout is both expansive and functional. At the heart of the home, a custom gourmet kitchen overlooks the pool and seamlessly opens to a generous family room and breakfast area, creating the perfect setting for everyday living and effortless entertaining. The main level also features a formal dining room, elegant sitting room, and a versatile kids playroom or media space. The private primary suite is a true retreat, filled with natural light and offering a secluded balcony along with a dedicated exercise room. The lower level provides additional living space and showcases a custom-built, climate controlled wine cellar with capacity for up to 1,200 bottles...an exceptional feature for collectors and entertainers alike. Situated on over 1.6 acres, the grounds are nothing short of extraordinary. A gated driveway leads to a backyard designed for both relaxation and recreation, complete with an in ground pool, fully equipped pool house with sound system and lighting, outdoor kitchen, and a cozy outdoor fireplace.
