If move-in ready with room to grow is on your list, 3558 Mill View Crossing delivers. Built in 2022, this 1500+ square foot home features a practical layout and all the right upgrades. Step inside to an inviting living space with vaulted ceilings and that create an open, airy feel with tons of natural light warming the room from the large front windows and sliding glass back door. The open concept kitchen/dining area is ready to impress with stainless steel appliances including gas stove and a premium refrigerator complete with built in water pitcher and nugget ice maker, as well as a large island showcasing the matching granite countertops that carry seamlessly through the kitchen, bathrooms, and even the spacious main-level laundry room - complete with extra cabinetry. The spacious primary suite brings its own wow factor with a vaulted ceiling, a full bath featuring a dual vanity, tile shower, and a walk-in closet. Two additional bedrooms and a second full bath are comfortably sized and thoughtfully positioned on the opposite side of the home. Upgraded hardwood floors cover the entire main level and continue down the basement stairs. Downstairs, the unfinished walkout basement is already plumbed for an additional bathroom and features a drywalled ceiling - making it a blank canvas ready to easily add extra living space, fourth bedroom, rec
