Welcome home to this beautifully maintained all brick home built in 2000, offering the perfect combination of space, comfort, and updates! From the moment you step inside, you'll appreciate the open floor plan designed for both everyday living and entertaining. The kitchen is a true centerpiece featuring granite countertops, a center island, stainless steel appliances, and an abundance of cabinetry, all flowing seamlessly into the bright and airy dining area. The inviting living room offers a vaulted ceiling and cozy woodburning fireplace for gathering with family and friends. Added convenience comes with main-level laundry located just inside the garage entrance. The main floor also features 3 bedrooms and 2 full baths, including a spacious primary suite complete with a private bath and walk-in closet. The mostly finished walk-out basement expands your living space with a fourth bedroom, third full bath, large family room, office space, recreational area, and plenty of storage room. Even better, the seller is offering a flooring allowance for the basement so the new buyer can customize it to their own style and preference! Outside, you'll enjoy relaxing on the covered front porch, entertaining on the deck, or unwinding on the patio area overlooking the backyard. Situated in a desirable subdivision where pride of ownership is evident throughout, this
