4 Bedrooms | 2 Bathrooms | 1,916 Sqft

Brand new construction loaded with custom finishes and designed with both style and efficiency in mind! This stunning 4 bedroom, 2 bath home offers 1,916 square feet of beautifully finished living space with an open-concept layout that feels bright, airy, and welcoming from the moment you step inside. Luxury vinyl tile flooring flows throughout the home, complemented by an abundance of natural light and thoughtfully selected modern finishes. The kitchen is truly the heart of the home, featuring a large center island, gorgeous quartz countertops, eye-catching modern backsplash, walk-in pantry, and plenty of space for gathering and entertaining. The spacious living and dining areas seamlessly connect, creating the perfect setup for everyday living and hosting guests alike. The private primary suite is a true retreat with an oversized walk-in closet and a spacious bath designed for comfort and convenience. Additional features include an oversized garage, dedicated storage room with storm shelter, covered front porch, covered patio, and a level yard perfect for outdoor enjoyment. Built with energy efficiency in mind, this home includes a tankless water heater, in-line water softener, and heat pump HVAC system for long-term comfort and savings. With custom details throughout and quality craftsmanship at every turn, this one checks all the boxes
