2 Bedrooms | 1 Bathroom | 1,200 Sqft

Charming all brick home in the heart of Jackson offering comfort, character, and plenty of entertaining space. This 2 bedroom, 1 bathroom home features a beautifully updated interior with new kitchen flooring, updated kitchen countertops, and a freshly renovated bathroom. The main level living room showcases original hardwood floors along with a built in electric fireplace that adds a cozy touch to the space. Downstairs, the finished basement provides additional living and entertaining space complete with a newly built in bar, perfect for hosting guests or relaxing at home. The basement also offers potential for a third bedroom, adding even more flexibility and value to the home. Just outside the basement door, you'll find a screened in porch that creates even more room to entertain or enjoy a quiet evening. Additional updates include a newer roof and new screen, both installed around 3 years ago, along with new kitchen appliances including the oven and built in microwave. Outside, you'll appreciate the fenced in backyard that offers privacy and space for pets, kids, or gatherings. The home also features a built in dog kennel tucked beneath the stairs and a 1 car garage for added convenience. This property combines charm, functionality, and thoughtful updates all in one package.
