4 Bedrooms | 1 Bathroom | 2,439 Sqft

Tucked away on 5+ beautiful acres, this charming all-brick ranch offers the perfect blend of country living and modern updates! Featuring 4 bedrooms and 1 beautifully remodeled bathroom with dual vanity sinks, this home has been thoughtfully updated throughout. The completely remodeled kitchen is the heart of the home, while the convenience of main-level laundry adds everyday ease. The mostly finished basement expands your living space with a kitchenette, spacious family/recreation area, and a 4th bedroom complete with an added egress window. There is also potential to finish out an additional bathroom in the lower level. Outside, you will find two outbuildings, including one that served as a makeshift chicken coop. Perfect for hobby farming or extra storage. Enjoy peaceful country views, room to roam, and endless possibilities on this versatile property!
