5 Bedrooms | 4 Bathrooms | 3,966 Sqft

Nestled on a desirable cul-de-sac in Northfield the beautifully manicured lawn with lush landscaping reflects the pride of ownership throughout. This custom built home has been meticulously maintained, with numerous updates that enhance both style and functionality. The main level has a guest wing bedroom/bath or a craft/sewing area as well as a main level office! Upstairs are four bedrooms with large closets plus a floored attic for additional storage. And plenty of storage everywhere (pantry, closets, laundry). Backyard becomes an extension of the living space from both the kitchen and the family room. Who wouldn't want to call this home?
