\$154,900

3 Bedrooms | 2 Bathrooms | 1,154 Sqft

Coming soon to the market. This fully renovated home will not last at this price. Sit outside on the front porch every morning with coffee in hand. As you step into this beautiful ranch home offering 3 bedrooms, one of which is your very own primary suite with a walk in closet and a fully updated bathroom. Walking throughout the home you will notice beautiful hardwood floors throughout. In the kitchen there is new white cabinetry, stunning black granite countertops, and stainless steel appliances. There are two more bedrooms in the other half of home with another fully updated bathroom. When you head into the flat backyard, you have an updated shed with new electric and a window unit. There is a back alley entrance to the home for parking or in the front of the home on street parking is available as well. Major improvements include updated HVAC, new electrical, and modern upgrades throughout the home, giving peace of mind for years to come. Situated on a crawlspace, this property also includes a detached shed equipped with AC and updated electrical perfect for a workshop, hobby space, home gym, or additional storage.
