**\$499,000**

**5 Bedrooms | 3 Bathrooms | 3,118 Sqft**

Custom built and tucked away in a quiet cul-de-sac, this all brick home offers exceptional quality, thoughtful design, and pristine condition throughout. An inviting front porch welcomes you into a spacious open floor plan featuring hardwood floors and a warm, comfortable great room. The large kitchen is designed for both everyday living and entertaining, complete with a dining area and additional seating at the island. The functional main level layout includes three bedrooms, while a beautiful wooden staircase leads to the finished lower level featuring an additional expansive great room, two more bedrooms, and flexible recreation space perfect for entertaining, hobbies, fitness, or game nights. Car enthusiasts, hobbyists, or those needing extra storage will appreciate the tandem garage on the main level along with the additional small garage area in the lower level. This home truly stands out as an exceptionally well-built and designed property. Come take a look!
