3 Bedrooms | 3 Bathrooms | 2,048 Sqft

Beautifully updated 3 bedroom, 2.5 bath home on 4.16 acres in a park-like rural setting conveniently located between Cape Girardeau and Sikeston. This energy efficient home features a 10kW solar system (resulting in lower electric bills), a fully finished dry basement with abundant storage (pool table included), 24 x48 heated/cooled shop with overhead door, two 1,000 gallon propane tanks. Enjoy the evenings in the hot tub under the stars on the new deck or around the fire pit. The home has a wood-burning fireplace, new kitchen and bathroom solid surface countertops, gas cooktop with built-in electric oven, new low-entry shower and double vanities in primary bath, wet bar in basement. Tile and hickory hardwood flooring throughout. The interior walls are insulated for sound reduction. This home is on a well and septic system with county water hookup available at the end of the driveway. Some hardwood flooring milled from trees on site. Mature landscaping enhances this unique property.
