Some homes tell a story the moment you pull into the driveway. For years, this home has been loved, cared for, and filled with memories. Now it's ready for its next chapter and the right person to make it their own. Situated on approximately 1.8 acres just outside of Jackson, you'll enjoy the space you've been craving, a shop for hobbies or storage, and the privacy of having no homes behind you. While a few updates could bring fresh life to the property, the potential here is undeniable. With a little vision and creativity, you could create something truly special while building instant equity along the way. Opportunities like this don't come around often a little acreage, room to breathe, and endless possibilities waiting for someone to see what this property can become. Bring your ideas. Bring your dreams. Bring this well-loved home back to life.
