4 Bedrooms | 3 Bathrooms | 4,236 Sqft

Beautifully designed and thoughtfully built, this 4 bedroom, 3 bath home offers peaceful country living on approximately 6.42 acres. Step inside to find walnut hardwood and ceramic flooring throughout the main level, a spacious kitchen with a walk-in pantry, gas range, and stunning copper farmhouse sink. The primary suite is a true retreat, featuring a large bedroom, custom walk-in shower, soaking tub, and a generous closet with convenient access to the main-level laundry room. The finished basement offers even more space with a bedroom, bonus room, movie room, and plenty of room to spread out. The oversized John Deere room is heated and cooled and is currently being used as a gym, giving you flexible space for hobbies, storage, equipment, or workouts. Built with efficiency in mind, this super-insulated home features high-efficiency HVAC and a tankless water heater, helping keep utility costs low. Outside, enjoy a manicured yard, peaceful acreage, and a stocked lake perfect for year-round enjoyment. Spend your evenings relaxing on the back deck while overlooking the water and taking in the beautiful sunsets. This property truly offers the space, setting, and features so many buyers are looking for. AND NO HOA!
