\$199,000

3 Bedrooms | 1 Bathroom | 1,908 Sqft

Nestled in the peaceful Grandview Acres subdivision in Jackson, this 3-bedroom, 1-bath home offers comfort, space, and a beautiful setting on a .435-acre corner lot. Enjoy a spacious shaded yard perfect for entertaining, a garden, or a shop, plus recent home updates including flooring, fresh paint, and a new back deck. The partially finished basement provides additional living space with a cozy wood-burning stove, laundry area, hobby room, and one car garage. A wonderful opportunity to enjoy quite neighborhood living with room to relax both inside and out. (Photos coming soon. Expected active 6/20)
